Create a dashboard for the **sales manager** to view the following information:

1. Total sales of each product category in February
2. **TOP 3** product with the highest sales (show the style and total sales)
3. **Interactive Dashboard:** Create an interactive dashboard to allow the sales manager to filter the data by size.

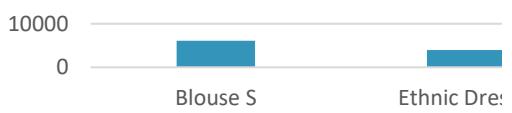

Feel free to use pivot table, filter and copy the data in a new sheet in this file

Make sure that only the visualizations are displayed here, and place in the dashboard.
